Re: WC Docket No. 11-185

Dear Ms. Dortch:

On behalf of Joint Applicants Education Networks of America, Inc., its wholly-owned subsidiary ENA Services, LLC ("Transferors" or, collectively, "ENA") and ENA Holding Corporation ("Transferee" or "ENA Holding") (collectively "Applicants"), and at the request of Mr. Christopher Sova of the Wireline Competition Bureau, this is to further supplement the Applicants' Application for Transfer of Control under Section 214 in the above-referenced proceeding to clarify as follows:

At page 7, item (8) of the Application: The Application meets the requirements for streamlined processing under both 47C.F.R. §§ 63.03(b)(2)(i) and (ii), in that neither of the Applicants is dominant with respect to any service, and upon consummation of the transaction the Transferee will have a market share in the interstate, interexchange market of far less than one percent (1%) of the nation's subscriber lines, will provide competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction.

Thank you for your consideration of this supplemental information. Please direct any correspondence concerning this matter to the undersigned counsel.

Sincerely,

DAVIS WRIGHT TREMAINE LLP

James M. Smith
